Dear Parents,

The Grade 5, 6 and 7 students are eagerly anticipating the ski/snowboard program, which begins this coming Thursday. Thank you to all who volunteered as parent supervisors and drivers. We had many parents volunteer, and the supervisor schedule is on the back of this letter. In addition to the parents listed, there will be three school staff members skiing or snowboarding with the students each week.

Parents who are listed as "morning only" or "afternoon only" are still asked to join us for the whole day, although they have not been assigned to lead a group during the other half of the day.

If your schedule has changed, and you will be unable to supervise or drive on the assigned date, please contact Mr. Withers at withers.stjo@gmail.com. Please do not arrange for another parent to take your place. We have taken the skiing or snowboarding ability of each child into account when developing the schedule, and so the alternate supervisor will be asked to supervise a very specific group.

Parents who are not officially scheduled are still welcome to join us for any of the days. We are, however, unable to cover the cost or guarantee a ride for these parents.

Thank you for your support. We wish you and your families a very happy new year.

Best regards,

Mr. Withers, Mr. Rogers, Ms. Phillips, and Mrs. Ebert
