SCHOOL ACCESSIBILITY FEEDBACK

Report an Accessibility Barrier or Support

At St. Joseph the Worker School, we want to learn about specific barriers or helpful supports that people encounter when they are trying to:

- Access a school program, building, or school information
- Receive a service or support

The CISVA Accessibility Committee and the school will review your feedback quarterly and it will be used for the revision of future accessibility planning for schools within the CISVA. If you need an accommodation for your student or if this is an urgent matter, please contact the St. Joseph the Worker School office or the Learning Support teachers directly.

To provide feedback on accessibility, please email the CISVA Accessibility Committee at accessibility@cisva.bc.ca or the school at office@stjosephtheworker.ca

1. Please provide the date the barrier or support was experienced.
2. Please select the location the barrier or support was experienced.
3. What were you or someone you know trying to access?
4. Accessibility barrier or support details (be as specific as possible).
5. Do you have any recommendations for what would make it better?
6. Attach files if you wish to provide additional information (e.g., video, voice recording, photos).
7. Do you wish to be contacted about your responses?
If yes, please provide your name and email or phone number.

The CISVA and St. Joseph the Worker School would like to thank you for your feedback.
